## Get Rewarded for Generating New Honeywell Business!

Congratulations! You've worked hard finding the opportunity. Now let us provide you with a competitive price advantage to help you win the bid.

The Honeywell Integrated Security (HIS) Project Registration program offers pricing discounts to HIS integrators who find, specify and register a project using Honeywell's Pro-Watch® and/or video surveillance products.

Registering your project can be quick and easy when you use the HIS Project Registration portal at:

**[www.honeywellintegrated.com/projectregistration](http://www.honeywellintegrated.com/projectregistration)**

---

### Did you specify and register a project, but didn't win?

Honeywell wants to reward you for your efforts with a credit\* to your HIS account to be used for Pro-Watch hardware, software and/or training. You did the work, so you deserve to be rewarded.

\* Refer to the HIS Project Registration program document for details about the credit at [www.honeywellintegrated.com/projectregistration](http://www.honeywellintegrated.com/projectregistration).

---

### Take Advantage of More Savings!

Only Honeywell offers you project registration opportunities for our Pro-Watch and video systems solutions. Make sure you take advantage of additional savings by specifying both product lines.

## Get Project Pricing In Three Easy Steps

1.

Find an opportunity to specify \$20,000 or more of Honeywell Pro-Watch® and/or video products. Engage the decision makers, quantify the budget and define the requirements of the project.

2.

Complete and submit a project registration application at:  
[www.honeywellintegrated.com/projectregistration](http://www.honeywellintegrated.com/projectregistration)

3.

Honeywell will verify that all information is complete and will confirm that you have met the program criteria. After your project registration has been approved, Honeywell will contact you about your pricing discount within 48 hours.

### Additional Program Requirements

- Only one HIS integrator can be registered for a project at any one time.
- This program requires a commitment from the HIS integrator to purchase and install Honeywell's Pro-Watch and/or video products wherever feasible at end user/customer location.
- The project must not have been previously registered by another HIS integrator.
- Each project requires separate registrations.
- Proof of specifying Honeywell's Pro-Watch and/or video products for the project.
- Honeywell's Pro-Watch and/or video products sales must be \$20,000 or more to qualify. If the registered project order falls below the minimum requirement, the discount may not be valid.
